The 4 Benders by Abraham

This story is about 4 people whose names are Beyonca, Ciara, Kenny, and Mark. On a hot sunny day, Kenny and Ciara were in a battle. They they got tired of fighting so they become partners. So they meet Beyonca whose a rock bender and Beyonca said "Who are you?" And Kenny said "I'm a fire bender from the fire nation." And Beyonca said "Whose your friend?" And Kenny said "that is Ciara a ice bender." And Beyonca wanted to be their partner and she did. So they went on and found a burn down villig and Mark wanted to be their partner too and he did. So they went to a place called cotton candy world and to get out they have to eat cotton candy. Then they make it to candy cane world and they licked the candy canes to death. Then they make it to the northern air temple and a lot of Bisons were there and they got one named Appa. They they flew to rock villig and they stayed there and met Beyonca's family and when they left they got food for their journeys and they flew away. Then they made it to the southern air temple but nothing was there so they flew to broccly land. Then they wanted to leave but there was a wall blocking our way. So we went threw a cave. Then we got lost and it says that true love is the way out. So Kenny and Beyonca kissed and Mark and Ciara kissed then they got out and made it to carrot land and to get out they have to defeat the king of carrots and they did. So they flew across grape juice river and landed on a island then they flew across grape soda river. Then they almost got to the end of their journey but a hill popped up and they went to the top of the hill and they saw their enimeies and they used all of the eliments to defeat them all. Then the two girls got boyfriends and the boys got girlfriends and their journey ends here.

Are journey started on a hot and sunny day. Then Ciara and Kenny meet in a battle. They got tired of fighting so they agreed to be partres [*partners*] so they walked to the land of rock. Ciara and Kenny saw a girl there. She ask Kenny who is he. He said that he was the Prince of the fire nation and Kenny tolled Byonca that Ciara was the Princess of the water and Ice nation. Byonca tolled us that she was the Princess of the earth nation. We asked her if she wanted to go on a jounry [*journey*]. She said yes. So Ciara, Kenny, and Byonca went on there journey then they came to a guy who was the last Air bender his name was Mark. We ask him what happen to his family. He said they died so we ask Mark if he wants to go on are journey he said yes. We went along with are jounry and we got to the land of evil cotton candy. Ciara, Byonca, Kenny, and Mark had to use our powers to melt the evil cotton candy. So then Kenny, Cuara, Byonca, and Mark kept on walking, then they came to Kenny town we slept overnight had some good meals. The next day we went on walking, then we went to Mark's land there was nothing there so then we went to Byonca and we stayed overnight. The next day went to Mark other land there was only bisons so we got one and name it aba then we went along and we found are family and we found are true loves and we all got marryed with are own true love.
