

The Dustruction Day by Melissa

Once upon a time theres was a group of Hippo's. And they did not like superhippo/Me. So one day hippo when't for a dive and saw different kinds of creatures. And the one she liked the most was the gold fish named Sara. Oh she saw too a seahorse named Kevin and a worm. There she heard all the sheeps were yelling for help. Then the Hippo said it's time for superhippo/me. Then she said nevermind it's time for superman and leaft. Then the sheep and other animals said help help sorry we aren't your friend. Because the aliens were tring to eat them. So it was time for super hippo, and she saved them and saw a black hole. Guess what when she woked up she was in the train to Conneticut.

The End

The Dustruction Day by Luis

once upon a time there was a group of hippos one was named Melissa she was a verey hot day so then she jumped into the ocean. Then she saw different creatures. Then she saw a Goldfish named Sara. Then she swam down deep into the ocean then she met a fish named Kevin then Melissa said I have to go up to land Kevin said shoor you can. When Melissa came up to land then a huge fire ball from the sky there was a space ship full of aliens one of them was named Luis then the land was distord then Melissa came from her sleep from the fire balls then she went back home to her nice green and refreshing then she went back to the other land there was a black hole then she woke up from her biggest dream she ever had then she found out that she was on a train going to conneticut!

The END.

The Dustruction Day by Sara

Once upon a time a group of hippopotamus lived by a ocean. One day it was hot and sunny out. Most of the lands the hippopotamus was usally laying in was dry. All of them were tired and hungry. But one of the hippopotamus still had energy so she dove in the ocean.

Her name was Melissa and she met a bunch of friends under the sea. She met 2 best friends. The first best friend she met was a goldfish named Sara. The second best friend she met was named Kevin. Then when she explored the ocean she went on land. The things she saw she couldn't believe.

A fireball fell from the sky she was frightend. There was a space ship above her. One of the aliens was named Luis. When she walked further on land the aliens were gone and every animal were almost all dead. Then a huge portal opened that was green then turned black and sucked her in. The hippopotamus woke up and was on a train to Conneticut!

The Dustruction Day by Kevin

Once ther was a group of hippos that lived nea a ocean. One day it was hot day and the hippo named Melissa. Then Melissa Jumped in the ocean. She met 2 creatures and Melissa said if she could be her friend and the two creatures said no. Then the hippo named Melissa met a goldfish named Sara and they were best friends and Sara and Melissa went deep in the ocean and they met a creatur called Kevin and they wanted to be my friend and we where bestes friends then Melissa whent out of the water into a group of sheep. Then there was a ball of fire and fell on some sheep and aliens came from the sky in a space ship and ther was an alian called Luis. The sheep where scared and they ran to a land and the land was all purple and the creaturs where stuck and the aliens and creaturs di[e]d and there was a green hole and it was sucking the hippo and ther was a black hole sucking the hippo to and when she woke up it was only a dream Melissa was wriding in the train to TX. The End
